Principal Updates

There will be a 5th grade transition website to take the place of orientation.

The 8th grade graduation email went out to parents.

The money collected by the 8th grade is about \$10,000 currently. There are 370 8th grades and \$50 donation is suggested from each family.

WMS PTO will provide some of the funds to the WHS so that this year's 8th grades can have a nice dance in 9th grade.

The 8th graders will get a package from WMS that will include a flag.

The PTO asked if there was anything else that we could pay for - not at this time but the offer is out there.
